

Sunnydale School - Celebrating a Wonderful Third Term!

Dear Sunnydale Community,

As we wrap up another incredible term, we want to take a moment to celebrate the enthusiasm, hard work, and growth of our amazing students. This term truly embodied learning Beyond Borders, and we're so proud of how every member of our community has grown—not just in knowledge, but in character too. Let's take a look back at some of the highlights from Term 3!

Character Day: Shaping Hearts and Minds

What a joy it was to see our students bring to life the six core character themes we've explored this year – citizenship, gratitude, resilience, responsibility, self-awareness, and respect! Through creative presentations and heartfelt reflections, they reminded us all that education isn't just about smart minds, but kind hearts as well.

iKNOW: Unleash Your Inner Genius!

A huge round of applause for our iKNOW champions! This term's intra-school contest was more than just a test of knowledge – it was a celebration of curiosity, discovery, and a love for learning across Science, General Knowledge, and Language Arts. To all our top scorers: keep that flame of curiosity burning, and never stop exploring the world around you!

Beyond the Classroom: Adventures in Learning

From One Source Supermarket to Mr Fish, Dodo Pizza, and the J.K. Randle Cultural Centre, our students embarked on exciting excursions that brought classroom lessons to life. These hands-on experiences helped deepen their understanding and made learning even more memorable.

Little Learners, Big Discoveries! (Early Years & Foundation Stage)

Our youngest stars had a term filled with creativity and joy! Through arts and crafts, music, imaginative role-play, and themed presentations, they explored the world in their own wonderful ways. It was a delight to see their bright ideas and enthusiasm shared with parents and peers alike.

Cub Scout & Brownie Camps

The 2025 camping experience was nothing short of fantastic! Our Cubs and Brownies embraced teamwork, independence, and problem-solving while having a blast on Sunnydale grounds. From entrepreneurial skills to leadership challenges, they made memories (and friendships) that will last a lifetime.

Career Day: A Celebration of Futures

Career Day was a colourful, memorable, and profoundly impactful event for our students. We firmly believe that preparing for future success can never begin too early. Events like Career Day are a key part of our commitment to nurturing our young learners' dreams and ambitions by connecting them with role models from various professions. We extend our sincere gratitude to our distinguished guests, who generously shared their career experiences and emphasised the timeless values of dedication, discipline and integrity. Their stories served as a powerful inspiration to our children.

A special thank you to our speakers:

Mrs. Onyewuchi, Mrs Offor, Mrs. Okeke, Mr. & Mrs. Toriola, Lieutenant Ganye, and our Director, Mrs. Osisanya.

Soaring High! The Triumph of Our Sapphires

We couldn't be prouder of our Year Six students! Their outstanding performances in external examinations, including the National Common Entrance Examination (NCEE), were celebrated in true Sapphire style at the 'Good Problem Picnic'. As they prepare for secondary school, we know they'll continue to shine brightly-carrying the Sunnydale spirit with them wherever they go.

A Grand Finale: End-of-Session Events!

The term ended on a high note with our Prize Giving Ceremony, the heartwarming Moving-On Ceremony for Reception, the prestigious Year Six Graduation, and a special Staff Appreciation event. A big thank you to our school management for making the staff celebration extra memorable, and to our wonderful PTA for their generous support!

Excellence through Knowledge

The 2025 Sunnydale Holiday Hive

School's out, but we were buzzing with fun at the 2025 Holiday Hive. We kept the energy high all August long with a delightful mix of relaxed, hands-on activities. From thrilling science experiments and creative arts to sports, French Language, cooking, coding, swimming, and a memorable trip to the Ikeja Train Station, we made sure young minds stayed active and engaged. The sweet memories we made together will linger for years to come.

Holiday Reminders

While the children enjoy their well-deserved break, we encourage you to let them unwind, explore, and recharge. Whether it's reading, painting, writing, cooking, or simply playing outdoors, these moments of creativity and relaxation are just as valuable. And when you're out and about, remind them to continue to shine as proud Sunnydale ambassadors, living out our RICHER values.

Results & Resumption

Third-term results for Key Stages 1 & 2 are now available on the EDVES portal. If you encounter any issues accessing them, please reach out to our Admin Department for assistance.

School reopens for the 2025/2026 academic session on Tuesday, 9th September 2025

A Heartfelt Thank You

We appreciate the dedication of our incredible staff – both teaching and non-teaching who pour their energy into nurturing our students every day. To our wonderful parents and guardians, thank you for your trust, partnership, and unwavering support. Together, we're shaping future leaders, and we're so grateful to be on this journey with you. As we step into the holidays, we pray for God's peace, protection, and provision over all our families. Here's to a joyful break and an even brighter year ahead!

Let's keep doing great things together—for the love of the children!
