

A Sunny & Bright Start to the 2025/2026 Session

Hello, Sunnydale Families!

A very warm welcome back to our returning families, and a special, Sunnydale hello to all our new families! We are so thrilled to embark on this new academic year with you - a year brimming with fresh possibilities and exciting adventures in learning. Our community is built on growth and partnership, and we can't wait to see what we'll accomplish together. Let's dive into the news!

Our Learning Festival is in Full Swing!

This year, we're throwing a "Festival of Learning"! Imagine a treasure chest of thrilling themes, and that's exactly what our teachers have prepared. Each class will embark on a unique journey, exploring: Colours & Celebrations; Jungle Cruise & African Safari; Tropical Rainforests; Majestic Mountains & Continental Landmarks

Our dedicated teachers will bring these themes to life through research, art, multimedia, and community projects. Get ready for a term of vibrant, hands-on discovery!

A Look Back at Our Parents' Introductory Morning

Thank you to everyone who joined us for the Parents' Introductory Morning on September 25th! It was a joy to connect, outline our academic plans for the year, and formally introduce our prospective school leaders from the Sapphire Class.

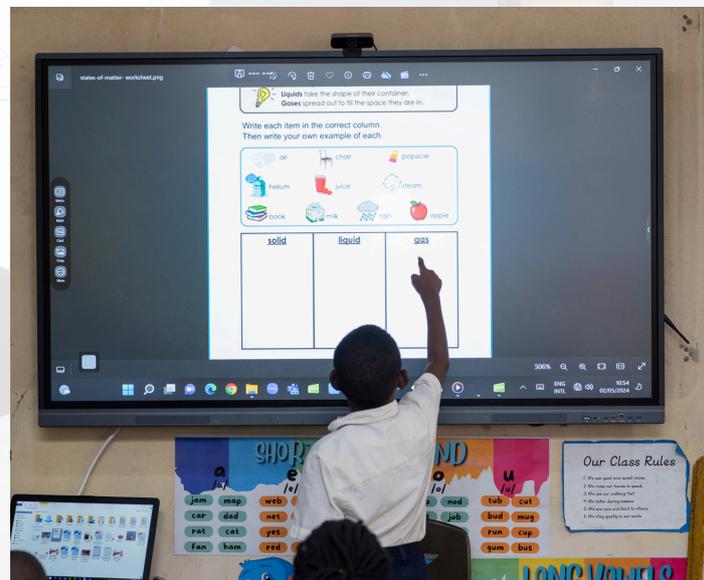

Our Independence Day celebration was a burst of colour and creativity! From stage drama and spoken words to musical performances, our children showcased their delightful talents with passion. The theme, ECHOES OF UNITY resonated, reminding us of the joy in passing on our rich cultural heritage. We've also been busy marking important international days, including World Literacy Day and World Teachers' Day and World Mental Health Day, weaving global awareness into our school life.

Tech Upgrade: Smarter Boards for Brighter Minds!

We're always looking for ways to enrich the children's learning experiences. This term, we've upgraded our interactive whiteboards to new EDTECH smart boards in three classrooms. The impact has been more exciting and engaging lessons! We appreciate our alumnus, Olaolu Yahaya, for his generous support in funding one of these boards - a wonderful way to give back.

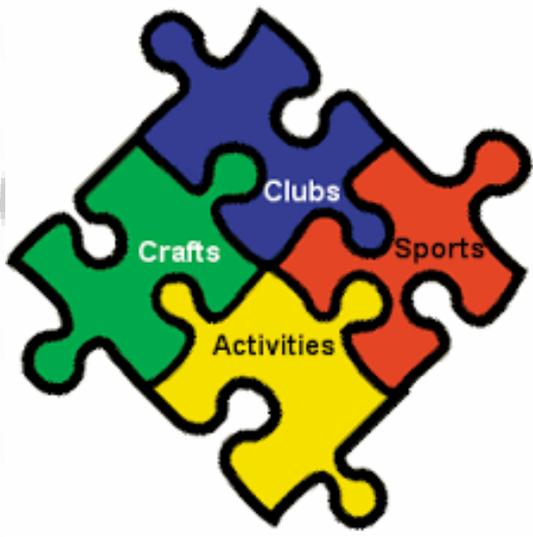

Early Years and Foundation Stage: Where Learning is Funtastic!

The Early Years Foundation Stage is a merry hive of activities! To reinforce weekly topics, we hold joint outdoor fun every fortnight. This term, we've been exploring "All About Me" and "Care of My Body" through role-playing, rhymes, art, and lots of movement. The learning never stops, and the fun doesn't either!

Co-Curricular Activities: Unleash the Talent!

Did you know that co-curricular activities are a powerhouse for development? These activities boost communication, time-management, and decision-making skills while building perseverance and self-motivation. With such a wide range of electives on offer, we encourage every child to select at least two they're passionate about!

The Buddy System: A Circle of Support

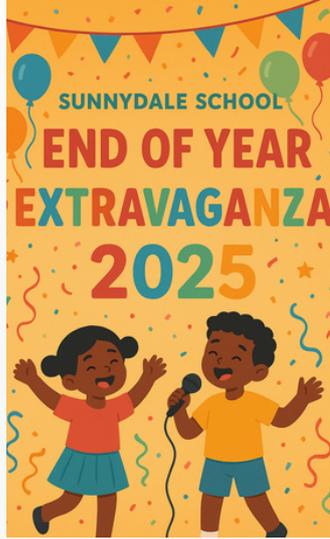

A happy child is a ready learner. Our Buddy System continues to meet weekly, providing a safe space for every child to connect with a trusted adult. This pastoral care initiative is a cornerstone of our commitment to your child's emotional and social well-being.

Fruit & Water Wednesday: A Healthy Habit

FRUIT AND WATER WEDNESDAY

Our "Fruit and Water Wednesday" initiative is still going strong! It's a simple, healthy choice which the children have wholeheartedly embraced. Thank you for your support in packing those delicious fruits and water bottles every Wednesday – it makes a real difference.

The End-of-the-Year Extravaganza!

Get ready for a spectacular first term finale! At the Sunnydale End-of-the-Year Extravaganza our children will take to the stage to educate and entertain us with presentations based on their class themes. It's going to be a beautiful and vibrant way to close the term.

A Few Friendly Reminders

Safety First: To keep every child safe, we strictly adhere to our Safeguarding Policy. Please notify the Admin Department in advance if anyone other than a registered person will be picking up your child

Attendance & Punctuality: Being on time is a key ingredient for a successful school day. Our gates are open before 8:00 a.m. and will be closed promptly thereafter. If you're running late, please call the school desk on 0102-295 6317 or 08186423593.

Department & School Uniforms: To maintain a neat and focused learning environment, we kindly remind families that coloured hair extensions, beads, and self-procured uniform items (including those with embroidered logos) are not permitted. Our school store is fully stocked with all approved uniform sizes.

Financials: A heartfelt thank you for your continued prompt payment of school fees. Please note that all fees for the term are now due.

A Final Word of Gratitude

Thank you for choosing Sunnydale School. Thank you for entrusting us with your precious children and for being such wonderful partners in their educational journey. Welcome, everyone, to our spectacular Festival of Learning!

Warmly,

Mrs Olawale-Edun

For the Sunnydale School Team
