

What an incredible term of growth, discovery, and joy! It's hard to believe that the first term has come to a close – the weeks have flown by with vibrant activities. We are so proud of our students and grateful for the quality partnership of our parents. Let's take a moment to celebrate some of the highlights.

The term kicked off with excitement as students embarked on our 'Theme Hunt' resumption challenge, searching for hidden learning themes. This fun start underscores our commitment to thematic learning, an approach which connects subjects, sparks curiosity, and makes learning a tangible adventure. This session, our classrooms will come alive exploring: COLOURS, TRANSPORTATION, CELEBRATIONS, JUNGLE CRUISE, TROPICAL RAINFOREST, FESTIVALS, AFRICAN SAFARI, MOUNTAINS & CONTINENTAL LANDMARKS. We can't wait to see where these journeys take our students!

Welcoming Our Families @ PIM

It was a pleasure to welcome both new and returning parents at our Parents' Introductory Morning earlier in the term. This is usually a brief session to remind existing parents, and intimate new parents with our school vision, mission, values, policies and operating procedures, ensuring we walk forward in partnership.

Parents' Introductory Morning @ Sunnydale School.

Celebrating Our Nation

Our National Day Celebration was a colourful display of pride and heritage. This year's stage play, ECHOES OF UNITY, beautifully showcased Nigeria's rich cultural diversity, our struggles, hopes, and triumph. It was a tapestry of history, cultural performances, traditional attires, and some delicious local delicacies. We again express a heartfelt thank you to all the parents who supported and participated in this special event.

EYFS: Exploration in Action

Our Early Years Foundation Stage has been a hive of joyful discovery through guided play, role-playing, and hands-on activities, our youngest learners have delved into engaging themes like Living & Non-Living Things, My Feelings, and Our Colourful World. We surely are building strong foundations for lifelong learning.

Engaging as Global Citizens

As part of nurturing world-minded individuals, we created awareness and marked some international observances, including World Teachers' Day, the International Day of the Girl Child, World Hello Day, and Anti-Bullying Week. These moments help foster empathy, awareness, and a sense of global community.

Building Character at Sunnydale

Academic excellence goes hand-in-hand with strong character. The Sunnydale character development programme is integral to this mission while the school's character pledge summarises our character goals. This term, we focused on the virtues of determination and enthusiasm. Additionally, reading aloud our character pledge regularly keeps these goals at the heart of our students, reminding them of their roles as positive change makers in their respective communities.

Student Leadership Induction

School Prefects and Members of the SRC for the 2025/2026 academic year took their oath of office in a short and beautiful ceremony. The Senior Prefect who spoke on behalf of the school leaders expressed appreciation for the opportunity to serve and promised to be guided by the oath. We express gratitude to Barrister Alaaya for honouring us with his presence at the event.

A Culture of Care

The Pastoral Care Unit of the school remains dedicated to ensuring every child feels safe, supported, and valued. Initiatives like the Buddy System continue to strengthen our community, with recent sessions covering goal setting, determination, uniqueness, and gratitude.

The Grand Finale: December Extravaganza Plus!

The term ended on a spectacular note with our December Extravaganza Plus. Parents were treated to immersive classroom showcases, where students presented their thematic learning from the EYFS through the Key Stages. The grand finale in the hall was a thrilling display of talent, creativity, and confidence. Bravo to our amazing students and the dedicated staff who inspire them daily! Thank you to our wonderful parents for your enthusiastic presence

Key Administrative Notes

- Reports: First-term reports and assessment rubrics have been emailed. Please contact the Admin Department if you experience any issues accessing them.
- Financials: We sincerely appreciate your consistent and prompt fee payments. Please note, all fees for the term should be settled prior to resumption. Kindly present your payment teller at the accounts office for clearance and a receipt. Please be advised that only students with full fee clearance can participate in learning activities upon resumption. We encourage bank transfers; cash payments are discouraged.
- Uniform Policy: We kindly remind families that only approved school uniforms (available in the school store) should be worn. Unapproved hairstyles, self-procured uniforms, or embroidering the school logo are not permitted per school policy.
- Resumption: The second term begins on Monday, 12th January 2026, God willing.

A Final Word of Gratitude

As we reflect on this fruitful term, we are filled with gratitude for your unwavering support and trust. Thank you for choosing Sunnydale School as your partner in nurturing the leaders and heroes of tomorrow. We pray for God's abundant blessings, provision, and pleasant surprises for all our families throughout the coming year.

Warmly,

Mrs Olawale-Edun
For the Sunnydale School Team
